The Commissioner's Court
Ellis County Courts Building
109 S. Jackson Street
Waxahachie, TX 75165

Dear Commissioner's Court:

I am seeking your consideration for a variance to a development permit allowing a non-permanent shed to remain in an easement on my property at 1151 Trophy Court East in Midlothian, Texas. I have contacted AT&T, Oncor, and Mountain Peak utilities, and I have received permission from each of them to allow the structure to remain on the easement. The shed does not interfere with any of their equipment. The letters from each of the utility companies are attached.

The shed is a 10' x 20' wooden structure with asphalt shingles. The design and colors match the home. It currently sits 5' into the 30' easement at the back of my property and 5' into the 10' easement on the side of my property.

If you have any questions, please contact me at either number listed above.

Respectfully,

/*signed*/

Leon R. Hachat III

Re: Variance Letter
Permission to place and retain a shed in the Drainage and Utility Easement at
1151 Trophy Court East, Midlothian, Texas

Dear Mr. Hachat:

This is in response to your request for a variance letter regarding your desire to encroach upon the existing Drainage and Utility Easement, within your property located at 1151 Trophy Court East, Midlothian, Texas. Our Outside Plant Engineering Department has determined that the shed will not interfere with our existing cable facilities, and have no objections.

Please note that this letter does not release or abandon any interest we may have in the Drainage and Utility easement. Should Southwestern Bell Telephone Company, d/b a AT&T Texas ever need access, arrangements need to be in place to allow us in your back yard. Prior to any digging or construction, please arrange to have the necessary locates made for utilities.

Should you have any questions, please feel free to contact me at 817-267-5411.

Sincerely,

Larry Chasteen

Re: Request to encroach within existing ten (10) and thirty (30) foot platted utility easements with a "portable storage shed" located at 1151 Trophy Court East (also known as Lot 41, Champion Hill Phase II), in the City of Midlothian, Ellis County, Texas.
Oncor Request No. 2015 – 104.

To Whom It May Concern:

Oncor Electric Delivery Company has reviewed your request for the encroachment into existing ten (10) and thirty (30) foot platted utility easements with a "portable storage shed" located at the property of 1151 Trophy Court East, in the City of Midlothian, Ellis County, Texas. At this time, Oncor does not object to the encroachment of the "portable storage shed". Oncor will maintain the right to have free and clear access to and within the existing ten (10) and thirty (30) foot platted utility easements recorded in Cabinet D, Slide 3, Ellis County Public Plat Records, for any improvements or operations on any Oncor facilities located on the property now or in the future.

It is not the intent of this letter to waive any rights granted to Oncor in said easement except to permit the encroachment of the "portable storage shed" set out hereinabove and as shown on the attached Exhibit "A". Also, this letter is not intended to release the property owner of this "portable storage shed", or the present owner, or future owners of the property from any liability arising out of the location of the "portable storage shed" within the existing ten (10) and thirty (30) foot platted utility easements.

Owner agrees to and shall indemnify, hold harmless and defend Oncor, its officers, agents and employees, from and against any and all claims, demands, losses, costs, damages, causes of action, suits and liability of any kind, including all reasonable expenses of litigation, court cost and attorney's fees, for injury to or death of any person, or for damages to Owner's property or to any other property, arising out of or in any way resulting, directly or indirectly, from or incident to any activity, or condition connected with, Owner's use of the easement, the operation or existence of Oncor's facilities on the easement or their proximity to the Improvements or Oncor's failure to cause Owner to remove the Improvements, including but not limited to, such claims, demands, causes of action, suits and liability resulting from the sole or concurrent negligence, strict liability or other fault of Oncor.

This letter may be used as Oncor Electric Delivery Company's approval to allow the encroachment of the "portable storage shed" within the existing ten (10) and thirty (30) foot platted utility easements as mentioned above.

Sincerely,

Jim Thomas
