RE: Temporary Court Coordinator

Judge Bush,

Thank you for the message from your office of today's date, regarding the above referenced matter. As a follow up to my email request of June 2, Carla is going to be out for two weeks in late June and early July for vacation. I would like to make a budget request to hire Sharon McKinney as a temporary court coordinator for 10 days. I believe the rate is \$20 an hour, for 10 days, eight hours per day, so the request will be for \$1,600.00.

If appropriate, please submit my request to the Commissioners Court. Also, for clarification purposes, if approved, please confirm that Sharon's first day will be June 22.

Sincerely,

Jim Chapman

RE: Master Lease-Purchase Agreement No. 0060519 dated 12/10/2008 (the "Master Lease") and Lease Schedule No. 030-0060519-001 dated 06/22/2015 (the "Lease Schedule"), and entered into between ELLIS COUNTY ("Lessee") and Deere Credit, Inc., its successors and assigns ("Lessor") (The Master Lease and the Lease Schedule are hereinafter collectively referred to as the "Lease").

Gentlemen and Ladies:

I have acted as counsel to Lessee in connection with the execution and delivery of the Lease by Lessee and, in this capacity, I have reviewed a duplicate original or certified copy of the Lease and such other documents and instruments as I have deemed necessary or appropriate. As counsel for Lessee, I have made such factual inquiries, and have examined or caused to be examined such questions of law as I have considered necessary or appropriate for the purposes of this opinion. Based upon such inquiries, examination and review, I am of the opinion that:

(a) Lessee is the entity indicated on the face of the Lease and is a political subdivision of the state in which it is located. Lessee is duly organized and existing under the Constitution and laws of said state, and is authorized to enter into and to carry out its obligations under the Lease.

(b) Lessee has complied fully with all applicable law governing open meetings, public bidding and appropriations required in connection with the Lease and the acquisition of the Equipment.

(c) The Lease has been duly authorized, executed and delivered by Lessee in accordance with all applicable laws, rules and regulations. The Lease is a valid, legal, binding agreement, enforceable in accordance with its terms, except as limited by laws of general application affecting the enforcement of creditors' rights.

(d) The person signing the Lease (1) has the authority to do so, (2) is acting with the full authorization of Lessee's governing body, and (3) holds the office indicated below their signature. The signature of the person signing the Lease is genuine.

(e) The execution of the Lease and the appropriation of funds to meet its obligations thereunder do not result in the violation of any constitutional, statutory or other limitation relating to the manner, form or amount of indebtedness which may be incurred by Lessee.

(f) The Lease does not constitute a debt of Lessee under applicable state law or a pledge of the tax or general revenues of Lessee.

Master Lease-Purchase Agreement

Agreement No. 0060519

Lessee: ELLIS COUNTY PRECINCT #3
101 W MAIN STREET, WAXAHACHIE, TX 75165

Lessor: DEERE CREDIT, INC.
6400 NW 86TH ST, PO BOX 6600, JOHNSTON, IA 50131-6600

This Master Lease-Purchase Agreement ("Master Agreement") is entered into between Deere Credit, Inc., as Lessor ("we", "us" or "our"), and the lessee identified above ("you" or "your"). "Schedule" shall mean any Lease Schedule signed by you and us, which incorporates the terms of this Master Agreement. "Lease" shall mean this Master Agreement and any Schedule.

TERMS AND CONDITIONS

1. Lease Term; Payments. You agree to lease from us the property ("Equipment") described in each Schedule for the Lease Term. The Lease Term will begin on the Lease Term Start Date and end on the Lease Term End Date. All attachments and accessories itemized on the Schedule and all replacements, parts and repairs to the Equipment shall form part of the Equipment. A Schedule is not accepted by us until we sign it, even if you have made a payment to us. You agree to remit to us the Lease Payments indicated in the Schedule and all other amounts when due and payable each Billing Period, even if we do not send you a bill or an invoice. Except as otherwise provided in Section 2 of this Master Agreement, YOUR PAYMENT OBLIGATIONS ARE ABSOLUTE AND UNCONDITIONAL, AND ARE NOT SUBJECT TO CANCELLATION, REDUCTION OR SETOFF FOR ANY REASON WHATSOEVER. For any payment which is not received by its due date, you agree to pay a late charge equal to 5% of the past due amount (not to exceed the maximum amount permitted by law) as reasonable collection costs, plus interest from the due date until paid at a rate of 1.5% per month, but in no event more than the maximum lawful rate.

2. Non-Appropriation of Funds. You intend to remit to us all Lease Payments and other payments for the full Lease Term if funds are legally available. In the event you are not granted an appropriation of funds at any time during the Lease Term for the Equipment or for equipment which is functionally similar to the Equipment and operating funds are not otherwise available to you to remit Lease Payments and other payments due and to become due under the Lease, and there is no other legal procedure or available funds by or with which payment can be made to us, and the non-appropriation did not result from an act or omission by you, you shall have the right to return the Equipment in accordance with Section 8 of this Master Agreement and terminate the Lease on the last day of the fiscal period for which appropriations were received without penalty or expense to you, except as to the portion of the Lease Payments for which funds shall have been appropriated and budgeted. At least thirty (30) days prior to the end of your fiscal period, your chief executive officer (or legal counsel) shall certify in writing that (a) funds have not been appropriated for the fiscal period, (b) such non-appropriation did not result from any act or failure to act by you, and (c) you have exhausted all funds legally available to pay Lease Payments. If you terminate the Lease because of a non-appropriation of funds, you may not, to the extent permitted by applicable law, purchase, lease, or rent, during the subsequent fiscal period, equipment performing the same functions as, or functions taking the place of, those performed by the Equipment. This Section 2 shall not permit you to terminate the Lease in order to acquire any other equipment or to allocate funds directly or indirectly to perform essentially the application for which the Equipment is intended.

3. Taxes. Although you may be exempt from the payment of certain taxes, you agree to pay us when invoiced (a) all sales, use, rental, gross receipts and all other taxes which may be imposed on the Equipment or its use, and (b) all taxes and governmental charges associated with the ownership, use or possession of the Equipment including, but not limited to, personal property and ad valorem taxes ("Taxes"). Taxes do not include those measured by our net income. If applicable law requires tax returns or reports to be filed by you, you agree to promptly file such tax returns and reports and deliver copies to us. You agree to keep and make available to us all tax returns and reports for Taxes paid by you.

4. Security Interest; Missing Information. You shall have title to the Equipment immediately upon delivery and shall be the owner of the Equipment. You (a) grant us a security interest in the Equipment (and all proceeds) to secure all of your obligations under the Lease, and (b) authorize us to file financing statements naming you as debtor. You agree to keep the Equipment free and clear of all liens and encumbrances, except those in our favor, and promptly notify us if a lien or encumbrance is placed or threatened against the Equipment. You irrevocably authorize us, at any time, to (1) insert or correct information on Schedules, including your correct legal name, serial numbers and Equipment descriptions; (2) submit notices and proofs of loss for any required insurance; and (3) endorse your name on remittances for insurance and Equipment sale or lease proceeds.

5. Equipment Maintenance, Operation and Use. You agree to (a) not move the Equipment to another county or state without notifying us within 30 days; (b) operate and maintain the Equipment in accordance with all (1)

laws, ordinances and regulations, (2) manuals and other instructions issued by the manufacturer(s) and supplier(s), and (3) insurance policy terms and requirements; (c) perform (at your expense) all maintenance and repairs necessary to keep the Equipment in as good a condition as when delivered to you, reasonable wear excepted; (d) not install any accessory or device on the Equipment which affects the value, useful life or the originally intended function or use of the Equipment in any way, unless it can be removed without damaging the Equipment; (e) allow us and our agent(s) to inspect the Equipment and all of your records related to its use, maintenance and repair, at any reasonable time; (f) keep any metering device installed on the Equipment connected and in good working condition at all times; (g) affix and maintain, in a prominent place on the Equipment, any labels, plates or other markings we may provide to you; and (h) not permit the Equipment to be used by, or to be in the possession of, anyone other than you or your employees.

6. Insurance. You agree, at your cost, to (a) keep the Equipment insured against all risks of physical damage for no less than the Principal Balance (as indicated in the Amortization Schedule attached to and made a part of the Schedule), naming us as sole loss payee; and (b) maintain public liability insurance, covering personal injury and property damage for not less than \$1,000,000 per occurrence, naming us as additional insured. All insurance must be with companies and policies acceptable to us. Your obligation to insure the Equipment continues until you return the Equipment to us and we accept it. Each insurance policy must provide that (A) our interest in the policy will not be invalidated by any act, omission, breach or neglect of anyone other than us; and (B) the insurer will give us at least 30 days' prior written notice before any cancellation of, or material change to, the policy.

Unless you provide us with evidence of the required insurance coverages, we may purchase insurance, at your expense, to protect our interests in the Equipment. This insurance may not (1) protect your interests; or (2) pay any claim that you make or any claim that is made against you in connection with the Equipment. You may later cancel any insurance purchased by us, but only after providing us with evidence that you have obtained the insurance required by the Lease. The cost of the insurance may be more than the cost of insurance you may be able to obtain on your own.

7. Loss or Damage. Until the Equipment is returned to us in satisfactory condition, you are responsible for all risk of loss and damage, loss, theft, destruction or seizure of the Equipment (an "Event of Loss"). You must promptly notify us of any Event of Loss. If the Equipment can be repaired or replaced, you agree to promptly repair or replace the Equipment, at your cost, and the terms of the Lease will continue to apply. If the Equipment cannot be repaired or replaced, you agree to immediately pay us the pro rata portion of the Principal Balance, as determined by us as of the day before such Event of Loss occurred. Upon receipt of the pro rata portion of the Principal Balance, we will transfer to you (or the insurance company) all of our right, title and interest in such item(s) of Equipment (each, an "Item") AS-IS, WHERE-IS, WITHOUT ANY WARRANTY AS TO CONDITION OR VALUE. All insurance proceeds must be paid directly to us, and we may apply any excess insurance proceeds to any other amounts you owe us.

8. Return of Equipment. If a Schedule is terminated for any reason including, but not limited to, a non-appropriation of funds pursuant to Section 2 of this Master Agreement, you agree to return all Equipment to the place designated by us, at your expense and in satisfactory condition, along with all use, maintenance and repair records.
