NOTICE OF DISTRICT PETITION
TCEQ Internal Control No. D-08232023-047

PETITION. Circle S Midlothian, LLC, a Texas limited liability company, (Petitioner) filed a petition for creation of Circle S Middle Municipal Utility District of Ellis County (District) with the Texas Commission on Environmental Quality (TCEQ). The petition was filed pursuant to Article XVI, Section 59 of the Constitution of the State of Texas; Chapters 49 and 54 of the Texas Water Code; 30 Texas Administrative Code Chapter 293; and the procedural rules of the TCEQ.

The petition states that: (1) the Petitioner holds title to a majority in value of the land to be included in the proposed District; (2) there is one lienholder, AgTexas Farm Credit Services, on the property to be included in the proposed District and the aforementioned entity has consented to the creation of the District; (3) the proposed District will contain approximately 407.5 acres of land, more or less, located within Ellis County, Texas; and (4) all of the land to be included within the proposed District is located within the extraterritorial jurisdiction of the City of Midlothian (City).

The territory to be included in the proposed District is depicted in the vicinity map designated as Exhibit "A", attached to this document.

The petition further states that the proposed District will: (1) construct, maintain, and operate a waterworks system, including the purchase and sale of water, for domestic and commercial purposes; (2) construct, maintain, and operate a sanitary sewer collection, treatment, and disposal system, for domestic and commercial purposes; (3) construct, install, maintain, purchase, and operate drainage and roadway facilities and improvements; and (4) construct, install, maintain, purchase, and operate such additional facilities, systems, plants, and enterprises as shall be consistent with the purposes for which the District is created. It further states that the planned residential and commercial development of the area and the present and future inhabitants of the area will be benefited by the above-referenced work, which will promote the purity and sanitary condition of the State's waters and the public health and welfare of the community.

According to the petition, a preliminary investigation has been made to determine the cost of the project, and it is estimated by the Petitioner, from the information available at this time, that the cost of said project will be approximately \$53,300,000 (\$37,500,000 for water, wastewater, and drainage facilities and \$15,800,000 for road facilities).

In accordance with Local Government Code § 42.042 and Texas Water Code § 54.016, a petition was submitted to the City, requesting the City's consent to the creation of the District. After more than 90 days passed without receiving consent, a petition was submitted to the City to provide water and sewer services to the District. The 120-day period for reaching a mutually agreeable contract as established by the Texas Water Code § 54.016(c) expired and information provided indicates that the Petitioner and the City have not executed a mutually agreeable

contract for service. Pursuant to Texas Water Code § 54.016(d), failure to execute such an agreement constitutes authorization for the Petitioner to proceed to the TCEQ for inclusion of the land into the District.

CONTESTED CASE HEARING. The TCEQ may grant a contested case hearing on this petition if a written hearing request is filed within 30 days after the newspaper publication of this notice.

To request a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the name of the petitioner and the TCEQ Internal Control Number; (3) the statement "I/we request a contested case hearing"; (4) a brief description of how you would be affected by the petition in a way not common to the general public; and (5) the location of your property relative to the proposed District's boundaries. You may also submit your proposed adjustments to the petition which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing to the Office of the Chief Clerk at the address provided in the information section below.

The Executive Director may approve the petition unless a written request for a contested case hearing is filed within 30 days after the newspaper publication of this notice. If a hearing request is filed, the Executive Director will not approve the petition and will forward the petition and hearing request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. If a contested case hearing is held, it will be a legal proceeding similar to a civil trial in state district court.
