“Commissioner Grayson Hosts Road & Bridge Open House”

Ellis County, TX – Ellis County Commissioner Lane Grayson hosted an open house event for Road & Bridge Precinct 2 (Waxahachie and Ennis area) on June 14th to help educate citizens on what he does to maintain county roads. After more than 3,000 days in office, Commissioner Grayson announced that Precinct 2 had experienced no employee injuries.

“In this field, we rely on safety by choice – not by chance,” said Grayson.

During the event, representatives from the Office of Congressman Jake Ellzey and State Legislator Brian Harrison presented certificates of excellence to Grayson.

“Eight years of service with no injuries reflects the dedication and professionalism of these employees, and I know Representative Harrison is proud of Ellis County Precinct 2 and what you accomplish for the citizens,” said Maurice Osborn of Rep. Harrison’s office.

“We want to thank each of our Ellis County commissioners for their hard work to keep up the county roads we drive on, respect the taxpayer dollar, and represent their constituents on important political issues,” said County Judge Todd Little. “Without them, Ellis County would not be the safe, prosperous, and beautiful community that each of us is proud to call home.”
