PROPOSAL & BACKGROUND INFORMATION:

- The Commissioners Court approved a road frontage variance for Parcel ID No. 190690 on June 25, 2024 (Minute Order No. 318.24).
- Unfortunately, it was later discovered that the variance request identified the wrong property – the applicant's homestead property -- when presented to the Commissioners' Court.
- The request should have been shown on Parcel ID No. 183498, which the applicant also owns and is located ± 600 feet east of the original location.
- The applicant owns all ± 99 acres reflected between the two Parcel ID numbers (192690 & 183498).
- This correction does not affect the original notification sent for this request, as the 99-acre (Parcel ID No.183498) property nearly surrounds the 5-acre property (Parcel ID No. 192690) shown within the original variance request.
- There is no substantial change to any notification, ownership, or variance request.

ANALYSIS:
Staff recommends approval of this correction.

The ± 1.97-acre site is located at the intersection of Pratt Road and Link Street, located in the extraterritorial jurisdiction (ETJ) of the City of Red Oak, Road and Bridge Precinct No. 1.

3) Court Order

STAFF RECOMMENDATION:

- ☐ Approved, as presented
- ☑ **Approved w/ conditions (*See Analysis section*)**
- ☐ Deny request
- ☐ Continue/Table request.

PROPOSAL & BACKGROUND INFORMATION:

- The applicant wishes to develop this 1.97-acre site and build a large storage building for personal use; however, it does not meet the minimum 150-foot public road frontage requirement.
- Unfortunately, the property falls short of the required road frontage requirements by ± 30 feet. The only way to develop this property is through a variance from the Commissioners Court.
- If approved, the applicant will continue with the platting process.

NOTICE REQUIREMENTS

Section VIII (A) requires notice to be sent to property owners within 200 feet of the property with the requested variance at least ten (10) days before the meeting date. Below is a summary of the satisfaction of that legal notice requirement.

11/25/2024	Thirteen (13) letters

PERTINENT REGULATION(s):

Below is a summary of minimum County standards and the proposed request:

Relief Sought From:	County Dev. Standard:	Applicant's Request:	Difference:
Lots – Minimum Public Road Frontage	150 feet	±120 feet	± 30 feet

Section VIII (B) relief from the rules and regulations:

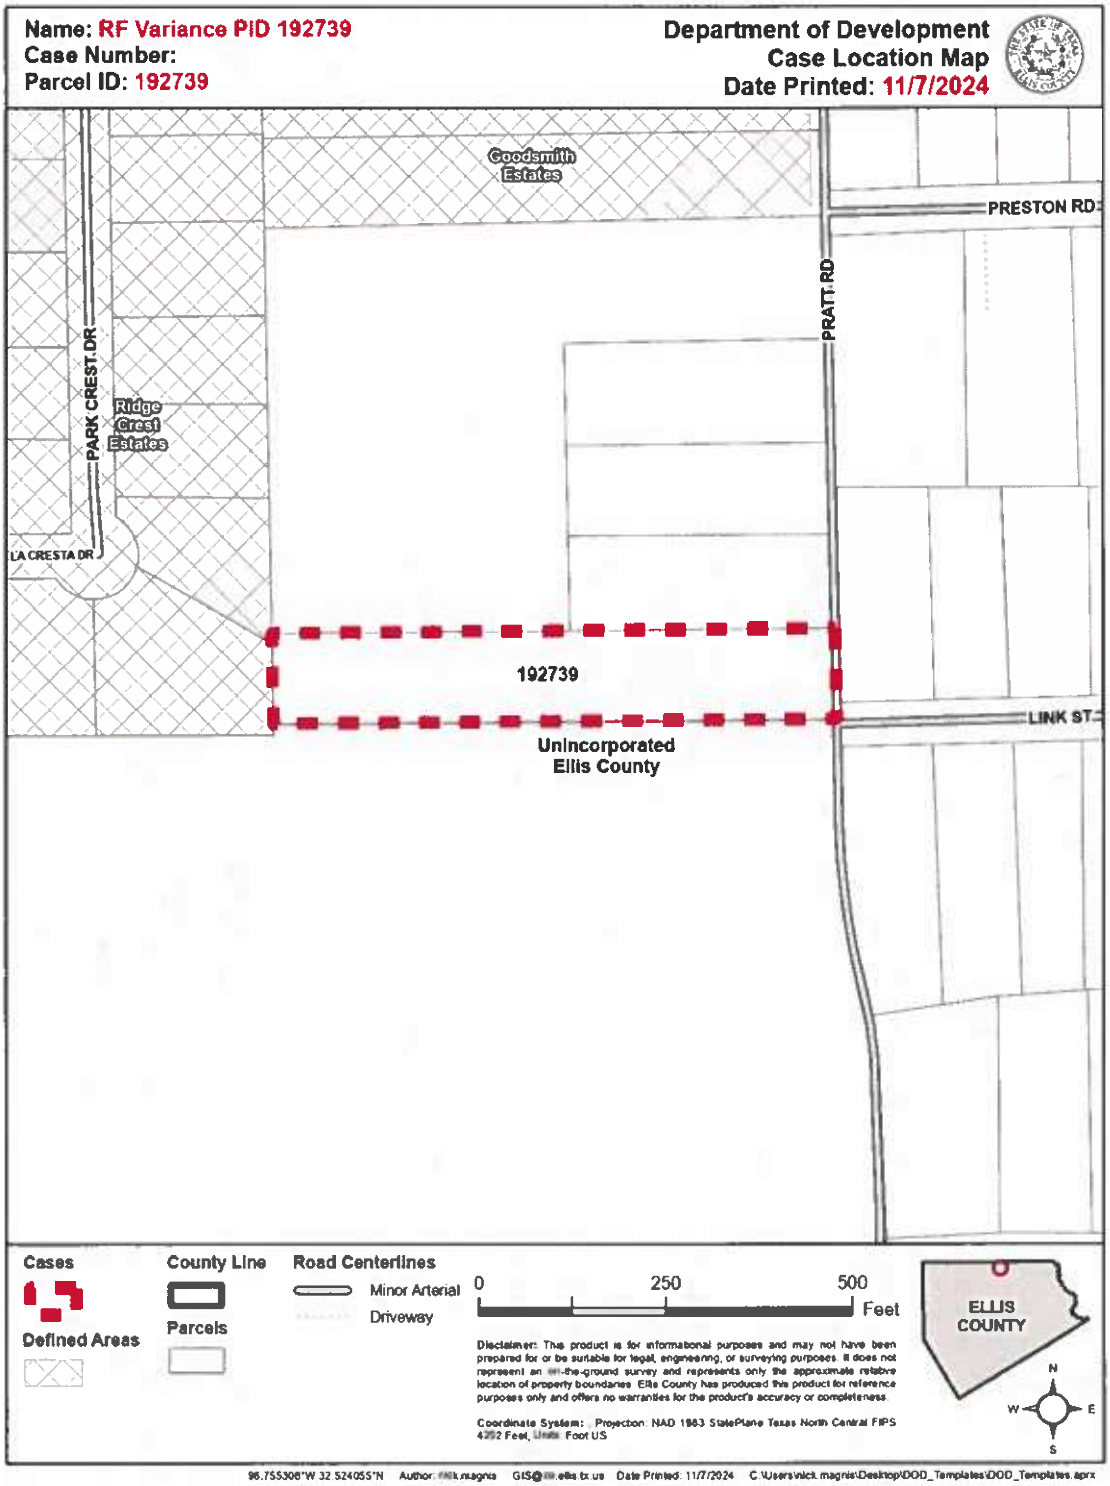

1. *There are special conditions affecting the land involved such that the strict application of the provisions of this Order would deprive the applicant of the reasonable use of his land; and,*
2. *That the relief is necessary for the preservation and enjoyment of a substantial property right of the applicant; and*
3. *That the granting of the relief will not be detrimental to the public finances, health, safety, or welfare, or injurious to other property in the area; and,*
4. *That the granting of the relief will not have the effect of preventing the orderly subdivision of other land in the area in accordance with the provisions of the Order.*
5. *That the situation causing the hardship or difficulty is neither self-imposed nor self-created.*

FINAL ANALYSIS:

While variances are policy directives that the Commissioners Court considers on a case-by-case basis, this request appears to meet the established variance criteria.

Should the Commissioners Court decide to approve this variance request for PID No. 192739– allowing one (1) lot to develop without meeting the minimum road frontage requirement – staff requests it be subject to the following conditions:

1. Any further subdivision of this property shall require a plat meeting those regulations in effect at the time of platting.
2. Approval of this variance request does not extend to multi-tenant, multi-unit, or any other commercial structures or businesses without meeting the requirements in effect at that time.

Comissioner's Court

Through the following letter I respectfully address you to request your support in providing us with an exemption to be able to build a personal LG warehouse for storage purposes since, despite having a 1.97-acre lot, it does not have a width on the side of the entrance on Pratt Street of 150 feet, which is what the County is requesting. This property is below what is allowed, having 123 feet of width, having
only a difference of 27 feet over what is established.
if this property is granted permission, we will have it platted
The property is located at **821 Pratt Rd, Red Oak TX 75154**.

Hoping positively for a response in our favor, I kindly say goodbye to you and wish you a great day.

Sincerely

LINDA GUTIERREZ

Neil R. Markham & Devra D. Markham
November 21, 2024

Dear Commissioners Court,
We are writing this letter to request a variance for our property on Hooper Cemetery Rd. Ennis, Texas 75119; known as Markham Estates, Lot 1, Block A being 1.086 acres (gross)in the Alejandro De La Garza Survey, Abstract No. 2 Ellis County, Texas When we originally filed for our platt application we were not aware of the amount of land required for a utility right of way; therefore after the right away was subtracted from the 1.086 acres it left us short 1/10th of an acre not having enough property left for the septic/ sewage system.
Please consider our request as we have tried our best to comply with all needed requirements for the ECDOD.

Sincerely,

Neil R Markham

Devra D. Markham

- ☐ Plat/Plat-related
- ☐ Regulation Amendment
- ☑ Variance Request
- ☐ Misc.

IDENTIFYING LANDMARK:

Parcel ID No. 258986

APPLICANT(s):

Samuel Huerta – applicant,
Darryl Bates - owner

ATTACHMENTS:

2) Letter of Request
3) Court Order

STAFF RECOMMENDATION:

- ☐ Approved, as presented
- ☑ **Approved w/ conditions (*See Analysis section*)**
- ☐ Deny request
- ☐ Continue/Table request.

PROPOSAL & BACKGROUND INFORMATION:

- The applicant wishes to develop this 2.85-acre site and build a second home, shop and pool for personal use; however, it does not meet the minimum 150-foot public road frontage requirement.
- A recent survey of the property shows that there is ± 0 feet of public road frontage, but there is a recorded ingress / egress easement providing access to Shiloh Road.
- Unfortunately, the property falls short of the required road frontage requirements by ± 150 feet. The only way to develop this property is through a variance from the Commissioners Court.
- If approved, it is recommended that the applicant continue with the platting process.

NOTICE REQUIREMENTS

Section VIII (A) requires notice to be sent to property owners within 200 feet of the property with the requested variance at least ten (10) days before the meeting date. Below is a summary of the satisfaction of that legal notice requirement.

DATE OF NOTIFICATION	NO. OF LETTERS
11/25/2024	Twenty (20) letters

PERTINENT REGULATION(s):

Below is a summary of minimum County standards and the proposed request:

Relief Sought From:	County Dev. Standard:	Applicant's Request:	Difference:
Lots – Minimum Public Road Frontage	150 feet	± 0 feet	± 150 feet (access via private easement)

Section VIII (B) relief from the rules and regulations:

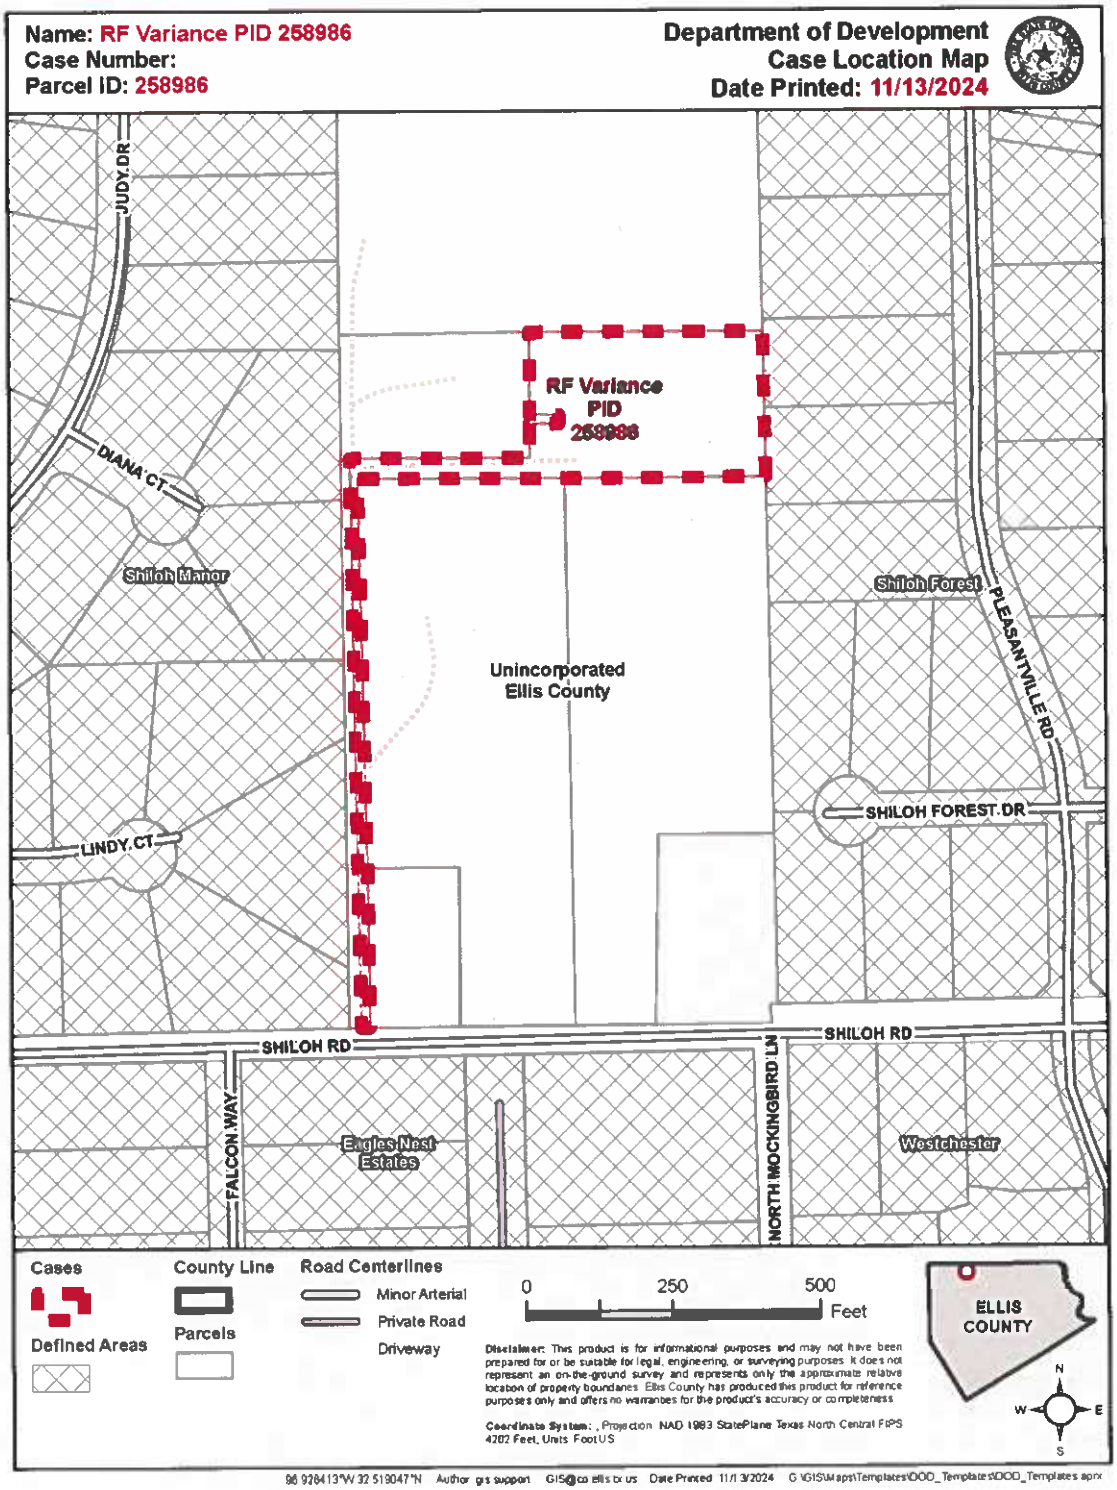

1. *There are special conditions affecting the land involved such that the strict application of the provisions of this Order would deprive the applicant of the reasonable use of his land; and,*
2. *That the relief is necessary for the preservation and enjoyment of a substantial property right of the applicant; and*
3. *That the granting of the relief will not be detrimental to the public finances, health, safety, or welfare, or injurious to other property in the area; and,*
4. *That the granting of the relief will not have the effect of preventing the orderly subdivision of other land in the area in accordance with the provisions of the Order.*
5. *That the situation causing the hardship or difficulty is neither self-imposed nor self-created.*

FINAL ANALYSIS:

While variances are policy directives that the Commissioners Court considers on a case-by-case basis, this request appears to meet the established variance criteria.

Should the Commissioners Court decide to approve this variance request for PID No. 258986 – allowing one (1) ± 2.48-acre lot to develop without meeting the minimum road frontage requirement – staff requests it be subject to the following conditions:

1. The property owner or applicant shall submit a plat identical to the survey plat provided for the property with the variance application.
2. Any further subdivision of this property in any form or fashion shall require a plat meeting those regulations in effect at the time of platting.
3. Approval of this variance request does not extend to multi-tenant, multi-unit, or any other commercial structures or businesses without meeting the requirements in effect at that time.

We are asking for a variance to be able to build a second home, shop, and pool on the current property. We plan to build on the eastern part of the property if approved. We will keep the existing mobile home on the property for my family to have a place to stay when they visit. We are not selling off any of the property.

STAFF RECOMMENDATION:

- ☐ Deny request
- ☐ Continue/Table request.

PROPOSAL & BACKGROUND INFORMATION:

- The applicant would like to develop this ± 0.231-acre of land and place a mobile home for personal residential use; however, it does not meet the paved public road frontage requirement. As this property was platted in 1957, it is grandfathered against the current road frontage requirement.
- The applicant met with staff in the summer of 2023 and initially indicated the property he had purchased was located on the west side of Griffing Avenue and before the end of the county-maintained portion of this road.
- Mr. Carrizales paid for the water line to be extended to his property, and the City of Midlothian accepted the infrastructure on July 8, 2024.
- Unfortunately, this property is located beyond the County's maintenance of the Griffing Avenue right-of-way and is only accessible by a dirt pathway. A "county maintenance ends" sign is located just before this transition.
- The distance between the county-maintained road to this end of his property is approximately 150 feet.
- The applicant wishes to seek a variance to the County's requirements of the minimum paved public road frontage requirements and build a concrete road to meet current road standards.
- The only way to allow for the development of this property is through a variance from the Commissioners Court.

NOTICE REQUIREMENTS

Section VIII (A) requires notice to be sent to property owners within 200 feet of the property with the requested variance at least ten (10) days before the meeting date. Below is a summary of the satisfaction of that legal notice requirement.

DATE OF NOTIFICATION	NO. OF LETTERS
11/25/2024	Twenty-one (21) letters

PERTINENT REGULATION(s):

Below is a summary of minimum County standards and the proposed request:

Relief Sought From:	County Dev. Standard:	Applicant's Request:	Difference:
Vol. I Section IV A. Lots & Structures (iii) Paved Public Road Frontage	Minimum paved public street frontage of at least one hundred fifty (150) feet upon submittal of any type of development application. Vol. 3 Section II Engineering and Construction Standards - Street Classification Table II -A	Minimum Ditch Side Slopes: 4:1.	Closed drainage system	Utilize a closed drainage system within the right of way adjacent to their property.

Section VIII (B) relief from the rules and regulations:

1. *There are special conditions affecting the land involved such that the strict application of the provisions of this Order would deprive the applicant of the reasonable use of his land; and,*
2. *That the relief is necessary for the preservation and enjoyment of a substantial property right of the applicant; and*
3. *That the granting of the relief will not be detrimental to the public finances, health, safety, or welfare, or injurious to other property in the area; and,*
4. *That the granting of the relief will not have the effect of preventing the orderly subdivision of other land in the area in accordance with the provisions of the Order.*
5. *That the situation causing the hardship or difficulty is neither self-imposed nor self-created.*

FINAL ANALYSIS:

In the last several years, staff has interpreted that the extension of any new roads in an existing subdivision without an approved set of civil plans was required to meet the existing paving requirements in effect at that time.

The County's new paving standards, which became effective on September 1, 2023, came about after numerous conversations with staff and other professionals at multiple workshops during the past several years as the Commissioners Court's desire to upgrade the road construction standards throughout the County. The outcome of those meetings resulted in a 6-inch cement stabilized flexbase being required as part of the county's updated development regulation, accomplishing the goal of enhancing road construction standards throughout the county.

Staff has not received any requests to deviate from the current road section or the preceding standard prior to September 1 (involving concrete and lime stabilization) for this subdivision (Skyline Acres).

However, it's essential to recognize the unique circumstances of Skyline Acres. Although the general public uses the maintained road sections of this subdivision, the County does not currently bear the responsibility of maintenance for the right-of-way directly adjacent to Parcel ID No. 155168. However, to uphold the goals and policies established by the Commissioners Court to improve road construction standards countywide through adopting those regulations, staff cannot support this variance request.

Staff offers two options below for the Commissioners Court's consideration.

Option One:
Approve the variance for Parcel ID No. 155168 – 4758 Griffing Avenue– allowing one (1) lot to develop without meeting Vol. I Section IV (A) of the county's subdivisions regulations and Vol. 3 Section II – Engineering and Construction Standards (A) Street Classification (Table II-A), subject to the following conditions:

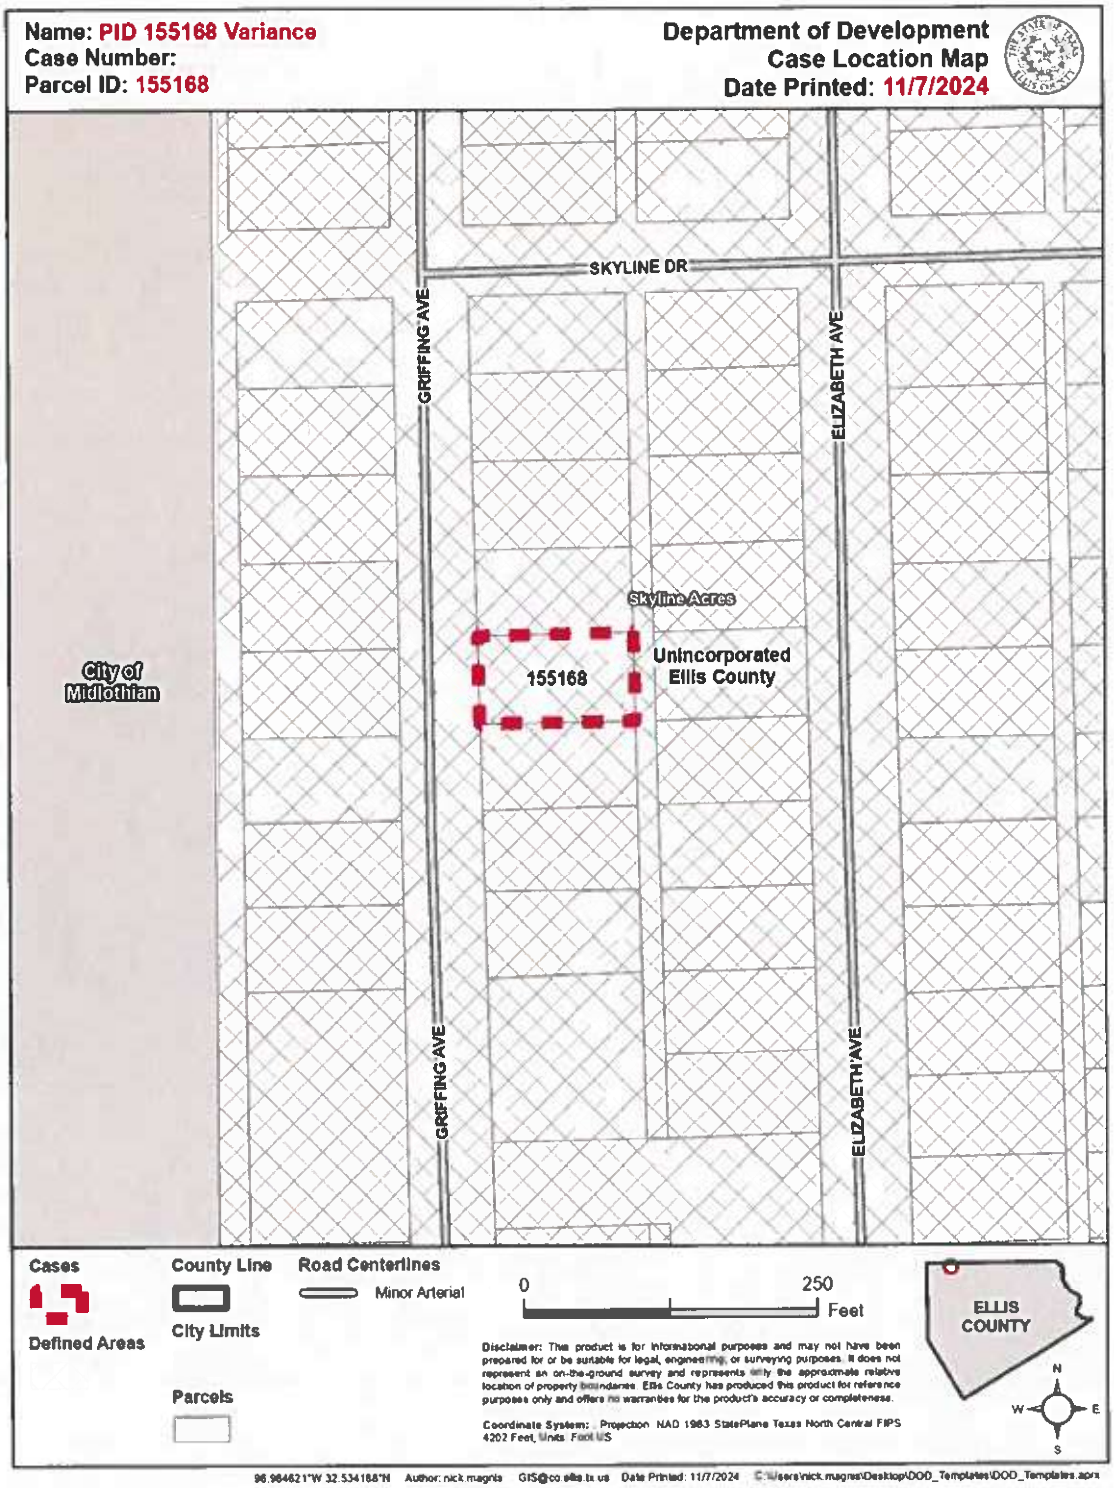

1. Extend the current paved section of the road to the applicant's property to match the current road conditions, allowing for proper drainage, to the satisfaction of the County Engineer's Office and the precinct commissioner.
2. Construction plans shall be submitted for review and approval prior to the start of construction.
3. The County will not accept this new section of road to the county's road maintenance network.
4. Civil plan review fees, a performance bond, and applicable road and inspection fees shall apply.
5. Any further subdivision of this property shall require a plat meeting those regulations in effect at the time of platting.
6. Approval of this variance request does not extend to multi-tenant, multi-unit, or any other commercial structures or businesses without meeting the requirements in effect at that time.

Option Two:
Deny this variance request outright.

This action will require bringing the non-maintained portion of Griffing Avenue to current County paving standards, including:

a) Minimum of 27 ft. wide
b) 6-inch thick concrete road
c) 6-inch cement stabilized flexbase
d) 6-inch lime stabilization
e) The construction of drainage improvements meets the current requirements.
f) applicable fees and bonds

The option of whether to accept this portion of the new road will be up to the Commissioners Court after it is built and constructed.

Honorable judge

I am asking for your support hoping that you can help me so that I may be able to have my home placed within my property (Double Manufactured Home 2023). I will briefly explain what is happening: (Address 4758 Griffing Ave 76065).

Last year in the month of May I requested permission from the Ellis County Tx offices to build and put the house on my property: the administration and director (Alberto Mares) asked me to work on extending the water line (main) as follows and that when I finished this I would go to the offices of the city of Midlothian TX where they would give me a letter stating that they were satisfied with the work with all the inspection and quality standards:
Like every property owner, I invested money and effort to be able to comply with everything that was requested of me for a whole year and thus obtain the permit from the Ellis County Offices.

To my surprise, they denied me permission, arguing that they really want me to build a section of road 150 feet long and 27feet wide and 6 inch deep of concrete, which they never let me know about, and that this will be very difficult for me because of the cost of this road ($40K +) As I previously mentioned, I made a high investment to build the water line, which was the requirement. ($25K +) to obtain my permit:

For this reason I request your help because I feel deceived and defrauded by the administrators of the permit offices (Director Alberto Mares) Whenever I am in communication with them, they never spoke to me about the construction of the street
I would not have invested so much of my personal time, money and effort because now my property is alone without finishing what I wanted:

Your Honor, I am printing you some evidence of all this: the mail, the letter from the city of Midlothian, the Contained Invoices, I am sending you some photos where in the area there are properties with the same situation and that they do have a home or business: with this, I am not trying to harm anyone, I am only asking that you be fair because like any father of a family, I only want a home to raise my family in.

Thank you for all you help in advance

PROPOSAL & BACKGROUND INFORMATION:

- The applicant wishes to develop this 0.76-acre site for residential use; however, it does not meet the minimum lot size requirements. The property does have ± 155 feet of road frontage.
- Unfortunately, the property falls short of the required one-acre minimum lot size and septic regulation requirements by ±0.24 acres before platting and right-of-way dedication. The only way to develop this property is through a variance from the Commissioners Court.
- If approved, it is advised that the applicant complete the platting process before applying for any development permits or addressing.

NOTICE REQUIREMENTS

Section VIII (A) requires notice to be sent to property owners within 200 feet of the property with the requested variance at least ten (10) days before the meeting date. Below is a summary of the satisfaction of that legal notice requirement.

2. *That the relief is necessary for the preservation and enjoyment of a substantial property right of the applicant; and*
3. *That the granting of the relief will not be detrimental to the public finances, health, safety, or welfare, or injurious to other property in the area; and,*
4. *That the granting of the relief will not have the effect of preventing the orderly subdivision of other land in the area in accordance with the provisions of the Order.*
5. *That the situation causing the hardship or difficulty is neither self-imposed nor self-created.*

FINAL ANALYSIS:

While variances are policy directives that the Commissioners Court considers on a case-by-case basis, this request appears to meet the established variance criteria.

Should the Commissioners Court decide to approve this variance request for PID No. 189873 – allowing one (1) lot to develop without meeting the minimum lot size requirement for platting and septic regulations – staff requests it be subject to the following conditions:

Re: Property ID #189873 Septic Variance Request

Gentlemen:

I am submitting a septic variance request for property that I own located directly across the street from 943 Saralvo Road. The subject property has not been assigned an address. The 0.76 acre tract is a vacant tract across the street from where I reside and it is my desire to sell said property for residential use. The property has 150' of road frontage and Sardis Lone Elm Water Supply has indicated that obtaining a water meter to service said tract of land will not be an issue.

Thank you very much for your consideration to my request.

Respectfully,

Ricky D. Woodard
Property Owner

Susan and Jordan Brown
526 Seneca Dr.
Waxahachie, Texas 75165

To the Ellis County Commissioners' Court,

I am writing to seek approval for a road frontage variance on our property at 526 Senca Drive. Based on the survey from 1999 we have a 60' frontage road access instead of the 150' required by Ellis county. We have been living on this property since 1999 and are asking for the variance to build a smaller house for my mother (the property owner) to live in.

The plans we have are for a 2 bedroom/2 bathroom 1305 sqft house. She is getting older, and my wife and I are hoping to move into the existing house on the property to be closer to her and to take care of the land going forward. I am her only child and would be the primary care giver going forward if anything were to happen and it would be much easier to do this being on the same property.

Thank you for your time and consideration.

Susan and Jordan Brown

Michelle,

In reviewing the proposed plat of Allen Family Estates Replat, Block 1, Lot 2R-A & Lot 2R-B, the following is noted for revision:

1. Reduce the building line setback along Mulkey Road to 25 feet.
2. Update the FEMA firm number.
3. Please add the court signature block and plat approval date to match the attached sample plat.
4. The owner's certificate needs to be updated. Please see attached sample plat.
5. Please add the OSSF statement and signature line to match the attached sample plat.
6. Provide current tax certificates for parcel ID 147328 & 147327
    a. Please be advised for plats to be recorded after September 1, 2024:
        i. • If the taxes for 2024 have NOT been calculated at the time of delivery of plats to the County, a current 2023 Tax Certificate (showing all taxes are paid in full) along with a written statement from the Ellis County Tax Office indicating that the 2024 taxes have not yet been calculated will need to be provided with the final signed plats.
        ii. • If the taxes for 2024 have already been calculated at the time of delivery of the plats to the county, a 2024 Tax Certificate will need to be obtained. This means taxes for 2024 will have to be paid in full before your plat is recorded.
7. According to Ellis County Thoroughfare Plan, Patrick Road requires a 40-foot ROW dedication. Please dedicate additional 10 feet of ROW.
8. Please provide proof of ownership deed from Ellis County Deed Records.
9. The labeling of the lots in plat title block does not match the plat drawing (Lot 2R-A vs Lot 2A) please update accordingly.
10. Payment of application fees (see attached invoice).

Please let me know if you have any questions.

The warranties described below are provided by John Deere to the original purchasers of new Agricultural, Turf and Utility Equipment ("Equipment") purchased from John Deere or authorized John Deere dealers (the "Selling Dealer"). These warranties are transferable, provided an authorized John Deere dealer is notified of the ownership change, and John Deere approves the warranty transfer.

Dear Honorable Judge Little:

Please let this letter serve as a letter of intent ("LOI") by the **State of Texas** ("Lessee"), acting by and through the **Texas Facilities Commission**, for the benefit of the **Texas Juvenile Justice Department (TJJD)**, to enter into a mutually agreeable long-term ground lease with **Ellis County** ("Lessor"), owner of record to acquire real property incorporating the following terms and conditions:

Buyer:	State of Texas
Location:	Approximately 30 acres located in Waxahachie, Ellis County, Texas
Feasibility:	Ninety (90) Days
Closing Date:	Thirty (30) Days from feasibility
Annual Lease:	Ninety-Eight Thousand Dollars ($98,000.00) Annually
Lease Term:	Fifty (50) Years
Renewal Term:	Lessee shall have the right to two (2) renewal options (each, a "**Renewal Option**") to extend the Term of this Lease for an additional term of twenty-five (25) years each following the expiration of the Term then in effect, and upon the same terms, conditions. Lessee must provide written notice to Lessor no more than twenty-four (24) months and no less than twelve (12) months prior to the expiration of the Term then in effect.
Prepayment Requirement:	To qualify a long-term ground lease as a real property acquisition based on a state appropriation in Texas, Texas Government Code § 1232.103 mandates that the state must prepay the lease at a discount to ensure that the transaction qualifies as a real property acquisition under state law.

Prepayment Terms: Pursuant to the Texas Comptroller's office Guidelines the state must utilize a discount rate of four percent (4%) resulting in a one-time net present value payment of Two Million One Hundred Thirty-Seven Thousand Nine Hundred Fifty-One Dollars ($2,137,951.00)

Title Company: Per Ellis County Preference
000 XXXXX Street,
Waxahachie , Texas 75165

Rollback Taxes: If this sale or a change in use of the Property results in the assessment after Closing of additional taxes applicable to the period of time before the Closing, Lessor shall pay the additional taxes plus any penalties and interest immediately upon receipt of a written statement for the taxes. This obligation will survive the Closing.

Reasonable Efforts: Lessee and Lessor will negotiate in good faith and use their reasonable efforts to arrive at a mutually acceptable Long Term Ground Lease Agreement for approval, execution, and delivery on or before December 24, 2024. Lessee will draft the Ground Lease Agreement.

Confidentiality: In the event that negotiations are terminated, each party will either promptly deliver to the other party or destroy any documents, work papers and other materials (and any reproductions thereof) obtained by each party or on its behalf from the other party as a result of this LOI or in connection therewith, whether so obtained before or after the execution hereof, and will not use any non-public information so obtained. Each party will use its reasonable efforts to keep such information confidential unless disclosure is required by law. Neither Lessor nor Lessee may disclose the existence or status of this LOI or negotiations of the Ground Lease Agreement to any party other than Lessor's or Lessee's attorney, broker, lender, and other advisors relating to the ground lease of the premises unless disclosure is required by law.

The terms outlined in this LOI are non-binding and do not constitute a Ground Lease Agreement. This LOI reflects only the general understanding of the matters described in them, and each party acknowledges that the non-binding provisions are not intended to and do not constitute a complete statement of or an enforceable obligation on the part of, Lessor or Lessee. Neither Lessor nor Lessee shall have any liability to the other with respect to the terms of this Non-Binding Letter of Intent until a Ground Lease Agreement is executed and delivered by and between them together with the Earnest Money deposited with the Title Company aforesaid. If a Ground Lease Agreement is not prepared, authorized, executed, and delivered for any reason, no party to this LOI shall have any liability to any other party to this LOI.

Resolution authorizing approval of proposed Texas statewide opioid settlement agreement with The Kroger Co. in the amount of $23,752.44. - Ellis County Judge Todd Little

THE STATE OF TEXAS §

COUNTY OF ELLIS §

ORDER (RESOLUTION) AUTHORIZING APPROVAL OF PROPOSED TEXAS STATEWIDE OPIOID SETTLEMENT AGREEMENTS

BE IT REMEMBERED, at a regular meeting of the Commissioners Court of Ellis County, Texas, held on the _____ day of _____, 2024, on motion made by _____Commissioner of Precinct _____and seconded by _____ Commissioner of Precinct __, the following Order (Resolution) was adopted:

WHEREAS, Ellis County obtained information indicating that certain drug companies and their corporate affiliates, parents, subsidiaries, and such other defendants as may be added to the litigation (collectively, "Defendants") have engaged in fraudulent and/or reckless marketing and/or distribution of opioids that have resulted in addictions and overdoses; and

WHEREAS, these actions, conduct and misconduct have resulted in significant financial costs in the past to the County and will undoubtedly result in significant financial costs in the future; and

WHEREAS, the County brought or has investigated claims against The Kroger Co. ("Kroger"), and certain other defendants related to potentially released claims; and (2) other defendants in the opioid supply chain on behalf of the County in *In Re*: *Texas Opioid Litigation*, MDL No. 2018-63587, currently pending in the 152nd District Court of Harris County, Texas and/or removed pending remand; and

WHEREAS, on October 30, 2024, the Kroger Defendant in the opioid litigation brought by the County, the State of Texas, through the Office of the Attorney General, and a negotiation group for Texas political subdivisions entered into an Agreement entitled Kroger Texas Statewide Opioid Settlement Agreement and Release (hereinafter collectively the "Texas Agreement"); and

WHEREAS, Special Counsel and the State of Texas have recommended that the Ellis County Commissioners Court support the adoption and approval of the Texas Agreement in its entirety; and
WHEREAS, even though the payments from the settlements reflect partial compensation to Ellis County for the past damages it has suffered or the future damages it is likely to incur, given the risks of litigation, the fact that it is to the benefit of Texas and the County and its residents, and that it reduces

the risks associated with protracted litigation;

NOW, THEREFORE, BE IT RESOLVED that we, the Commissioners Court of Ellis County:

1. Support the adoption and approval the Texas Agreement;

2. Authorizes the County to execute the Texas Release for the Texas Subdivision Participation Form and Release; and

3. Finds as follows:

    a. There is a substantial need for repayment of past opioid-related expenditures and payment to help abate current and future opioid-related harms in and about Ellis County, Texas; and

    b. The County Commissioners Court supports in its entirety the Texas Agreement. The County Commissioners Court understands that the purpose of each Settlement is to effectuate resolution of the Opioid Litigation against the Kroger Defendants. We also understand that an additional purpose is to ensure the effective means of distributing any potential settlement funds obtained under settlements in Texas and under the jurisdiction of Texas Courts in a manner and means that would promote an effective and meaningful use of the funds in abating the opioid epidemic in this County and throughout Texas.

The County is hereby authorized to approve and accept the Texas Agreement as set forth herein.

The County Judge or designated official is hereby authorized to execute and deliver the settlement documents recommended for approval by Special Counsel in the above referenced case and to approve such terms and provisions for the full and final settlement of all matters set forth therein.

INTERLOCAL AGREEMENT
BETWEEN
NORTH TEXAS BEHAVIORAL HEALTH AUTHORITY
AND
ELLIS COUNTY

Jail-Based Behavioral Health Project

Pursuant to Chapters 122 and 534 of the Texas Health and Safety Code, Chapter 791 of the Texas Government Code, and other applicable laws, this Interlocal Agreement ("Agreement") is made by and between the NORTH TEXAS BEHAVIORAL HEALTH AUTHORITY ("NTBHA"), and ELLIS COUNTY ("County"), hereinafter jointly referred to as "Party" or "Parties."

Whereas, NTBHA was designated as the local behavioral health authority in accordance with the Texas Health and Safety Code §533.0356, to plan, coordinate, develop policy, develop and allocate resources, supervise, and ensure the provision of behavioral health services for the Texas residents of Dallas, Ellis, Navarro, Hunt, Kaufman, and Rockwall Counties; and

Whereas, NTBHA seeks to enter into an agreement with Ellis County for services provided as part of a collaborative project serving justice-involved individuals experiencing behavioral health issues; and

Whereas, this Interlocal Agreement is entered into by the Parties pursuant to the authority of the Interlocal Cooperation Act, Texas Government Code Chapter 791;

Now, therefore, it is agreed by the Parties that in consideration of the mutual covenants, promises, agreements and other good and valuable consideration contained herein, that Parties agree to the following terms:

1. TERM

This Agreement is effective on December 16, 2024 ("Effective Date") and shall continue through August 30, 2025 ("Initial Term") unless terminated earlier under any provision hereof. County, at its option and upon mutual consent of NTBHA, may choose to renew this Agreement for additional one (1) year periods (each a "Renewal Term") on the same terms, conditions, pricing, and fiscal year funding as evidenced by formal written approval of NTBHA. NTBHA or the County may choose not to renew this Agreement, for any reason and without cause, and unless terminated prior to the end of the Initial Term, this Agreement will automatically expire at the end of the Initial Term. The Initial Term together with any and all Renewal Term(s) is cumulatively referred to as the "Term."

2. TERMINATION

Either Party may, at its option and without prejudice to any other remedy to which it may be entitled to at law or in equity, or elsewhere under this Agreement, terminate this Agreement by giving thirty (30) calendar days' prior written notice thereof to the other Party with the understanding that all services being performed under this Agreement shall cease upon the date specified in such notice. NTBHA shall compensate County in accordance with the terms of this Agreement *pro rata* up to the date specified in such notice. In no event shall County's termination of this Contract, for any reason, subject County to liability.

2.1 With Cause: Either party may terminate the Agreement immediately, in whole or in part, at its sole discretion, by written notice to the other party, for the following reasons:

A. Lack of, or reduction in, funding or resources;

B. Either party's failure to comply with any of the terms and provisions of this Agreement;
C. Either party's improper, misuse or inept use of funds or resources related to this Agreement; and/or
D. Either party's submission of data, statements and/or reports that are incorrect, incomplete and/or false in any way.

3. BACKGROUND AND SCOPE OF SERVICES

The purpose and benefit of the Jail Based Behavioral Health Project is to provide for the ability to conduct behavioral health services including 16.22 and related assessments, competency restoration services, individual and group counseling, process groups, medication consultation and support, prescription services, substance use services, medication assisted treatment, and other behavioral health and psychiatric services, in the jail on a regular basis using behavioral health clinical staff that are familiar with mental health and substance use disorders. As the Local Behavioral Health Authority (LBHA), NTBHA staff have access to the statewide behavioral health information systems and are fully engaged with the local provider network. The Jail Based Care Coordinators would provide comprehensive behavioral health services to inmates in the jail including assessments, evaluations, medication support, counseling, and care coordination. The project would also provide care coordination and assessments for Ellis County courts and attorneys for justice involved individuals with behavioral health or IDD disorders. The project will identify providers that would deliver needed services, relay these recommendations to the magistrates and judges, and arrange for services if the court so chooses.

The Project would give Ellis County the ability to assist justice-involved individuals that are dealing with behavioral health disorders, identify services and providers that would deliver needed services, relay these recommendations to attorneys and judges, and arrange for services if directed by the court. Additionally, for uninsured indigent individuals who are not in jail, NTBHA will cover the cost of services, including mental health prescriptions.

The overall goal of all these positions is to reduce or eliminate factors that lead to or contribute to incarceration through care coordination and access to needed mental health and substance use disorder services. They will provide the judge, magistrate, or attorney with information about behavioral services so that those inmates that are eligible to do so can be transitioned from jail into services on release. Individuals referred through the Project would be able to utilize the full range of NTBHA services to include intensive outpatient treatment and case management, medication management and prescription coverage, crisis residential and crisis respite, peer services, Outpatient Competency Restoration, behavioral health clinical services, substance use treatment, skills training, housing assistance and support, and employment skills training. In addition, the Project will provide comprehensive behavioral health services for inmates housed in the Ellis County Jail, so that behavioral health needs are identified, addressed, and appropriately treated while in the custody of Ellis County. Behavioral health services will be provided in coordination with physical/medical health services and NTBHA Jail Based Behavioral Health staff will regularly coordinate care with the jail medical health provider in order to cooperate fully with the provider.

4. PROJECT STAFFING PLAN

4.1 Ellis County Sheriff's Office

A. NTBHA shall review and hire project staff, to include three (3) full-time (FTE) Jail-Based QMHP positions, and one (1) full-time (FTE) LPHA Team Lead position, to be located at the Ellis County Jail.
B. These positions shall be required to pass any appropriate security and background screening required by the Ellis County Sheriff's Office, to have access to the jail and inmates. Positions shall also attend and complete any safety, security, or de-escalation training required by the Ellis County Sheriff's Office.
C. The NTBHA staff located at the Ellis County Jail would be supervised by designated supervisors and managers within the NTBHA Intensive and Forensic Services Division, operating under the Chief of Intensive and Forensic Services, and the NTBHA Clinical and Medical Divisions operating under the Chief of Intensive and Forensic Services, Chief Clinical Officer, and Chief

Medical Officer.

D. The NTBHA staff would be responsible for providing 16.22 assessments as required by Texas law once ordered by a magistrate or judge for Ellis County. All assessments would be completed and submitted to the court within the timelines set by statute.
E. Jail-based QMHP may also provide Competency Restoration Services, as well as other behavioral health services, to inmates in the jail.
F. As part of the 16.22 process, recommendations and referrals for the full range of available NTBHA services in the community (to include hand-offs to NTBHA Care Coordinators and Peers working in the community, as well as Crisis Respite and Crisis Residential) would be provided to the judges and magistrates.
G. Referral, and where possible, direct connection with providers in the community, would be coordinated by NTBHA staff, based on individual needs and recommendations.
H. If requested by Ellis County, additional NTBHA Forensic staff positions could be added to the proposed positions.
I. NTBHA will contract with e-Psychiatry, LLC. to provide psychiatric services including medication support, prescribing, psychiatric assessment, consult with other jail providers, and identification and coordination of behavioral health services and treatment plans. e-Psychiatry shall provide services four days per week, Monday through Friday, from 8:00am to 12:00pm and 1:00pm to 5:00pm CST, or as may be required to meet utilization needs and optimize schedules of providers and clinical staff. e-Psychiatry's PMHNP will receive supervision and collaboration from NTBHA's designated psychiatrist.
J. NTBHA's clinical and operational team will schedule Ellis County inmates into NetSmart (EMR). e-Psychiatry providers will utilize NetSmart and be credentialed and trained by the NTBHA clinical and operational team.
