**Construction Permit
 INFORMATION SHEET**

No person shall perform or authorize Construction or Substantial Improvement within the unincorporated areas of Ellis County without first securing a permit.

All construction work must be performed in accordance with Chapter 33

In order to obtain a permit, the following items must be submitted:

1. Documentation ensuring that the fire pump is to be installed in accordance with Section 913 of the *2018 International Fire Code* and NFPA 20.
2. A completed Construction Permit Application.
3. A set of plans that establish that the rooms where fire pumps are located are separated from all other rooms of the building in accordance with section 913.2 of the *International Building Code*.
4. A permit fee in accordance with the Ellis County Fire Code.
5. Provide manufacturer's data / "cut" sheets for materials and/or devices used.
6. Identification of the System Designer
7. Identification of the System Installer
