**Construction Permit
 INFORMATION SHEET**

A construction permit is required:

1. To install, repair or modify a pipeline for the transportation of flammable or combustible liquids
2. To install, construct or alter tank vehicles, equipment, tanks, plants, terminals, wells, fuel-dispensing stations, refineries, distilleries and similar facilities, where flammable and combustible liquids are produced, processed, transported, stored, dispensed or used.
3. To install, alter, remove, abandon or otherwise dispose of as flammable or combustible liquid tank.

Prevention, control and mitigation of dangerous conditions related to storage use, dispensing, mixing and handling of flammable and combustible shall be in accordance with Chapters 50 and 57.

Section 5701 contains a long list of exceptions.

No person shall perform or authorize Construction or Substantial Improvement within the unincorporated areas of Ellis County without first securing a permit.

All construction work must be performed in accordance with Chapter 33.

In order to obtain a permit, the following items must be submitted:

1. A completed Construction Permit Application.
2. Two sets of plans that show the size and location of storage tanks on the property, and the distance from lot lines and buildings, the location fire lanes and parking areas, security fencing, and the location of fire hydrants.
3. A permit fee in accordance with the Ellis County Fire Code.
