## **Operational Permit INFORMATION SHEET**

An Operational permit is required to store in any building or upon any premises in excess of 2,500 cubic feet gross volume of combustible empty packing cases, boxes, barrels or similar containers, rubber tires, rubber, cork or similar combustible material.

An operational permit allows the applicant to conduct an operation or a business for which a permit is required by section 105.6 for either:

- a. A specified period
- b. Until renewed or revoked

In order to obtain a permit, the following items must be submitted:

- 1. A completed Operational Permit Application.
- 2. At the discretion of the Fire Code Official, a site plan indicating the location of the building and Miscellaneous Combustible Storage areas on the property and the location of lot lines, overhead power lines, outdoor fire extinguishers, any fire hydrants, fire lanes/fire access roads and parking areas.

The Ellis County Fire Code consists of the 2018 International Fire Code and all its references. If you have any questions, please contact our office at 972-825-5555.
