LONESTAR INVESTMENT POOL

The LoneStar investment Pool is an investment pool available to government entities, in full compliance with the Public Funds Investment Act. Ellis County participates in 2 of the 3 available funds, the Government Overnight Fund and the Corporate Overnight Fund. Both Funds are rated AAA by Standard & Poor.

The Government Overnight Fund invests in the following:

- Obligations of the United States or its agencies and instrumentalities
- Other obligations, the principal and interest of which are unconditionally guaranteed or insured by, or backed by the full faith and credit of, the United States or its agencies and instrumentalities
- Fully collateralized repurchase agreements that meet the following criteria: (1) have a defined termination date; (2) are secured by obligations of the United States or its agencies and instrumentalities; (3) require the securities being purchased by the Government Overnight Fund to be pledged to the Government Overnight Fund, held in the Government Overnight Fund's name, and deposited at the time the investment is made with the Government Overnight Fund or with a third party selected and approved by the Government Overnight Fund; and (4) are placed through a primary government securities dealer, as defined by the Federal Reserve, or a financial institution doing business in this state. The market value of repurchase agreement collateral is required to initially be 102 percent of the principal amount of such repurchase agreement. Thereafter, the market value of such collateral will be determined (marked-to-market) daily and reset to 102 percent of the principal amount if it falls below 100 percent.
- No-load money market mutual funds regulated by the SEC, provided the Government Overnight Fund shall not invest its funds in any one money market mutual fund in an amount that exceeds 10 percent of the total assets of such money market mutual fund.

The Corporate Overnight Plus Fund may invest in all securities authorized under the Investment Act. However, it is the Board's policy to have these additional restrictions:

- The Corporate Overnight Plus Fund shall not invest its assets in any one nongovernmental issuer in an amount that exceeds 5 percent of the total fund assets at cost.
- If an A-1 or P-1 investment is placed on the watch list with negative implications by a rating agency, the investment manager must sell the investment within one week.
