**Total Amount of Debt Obligation Secured by Property Taxes for the County as of 9/30/18 is \$36,958,153.**

**BUDGET NOTE:**

The Commissioners Court vote to set and publish the County Tax Rate ceiling at the Effective M&O Rate of .310872 per \$100 valuation was predicated upon the revenue assertions of the County Auditor, presented at the Commissioners Court Budget Workshop on July 23, 2018. Subsequent to the August 14, 2018 proposed tax rate vote and initial Budget preparation, it was verified on August 24, 2018 that the available revenue presented in the workshop had been miscalculated and overstated by approximately \$1.7 million.

Though the change in available revenue required certain revisions, the budget adopted by the Commissioners Court on September 11, 2018 is a balanced budget that supports County operations based on the corrected values.

## Texas County Governments

The Statutory duties and responsibilities of county officials in Texas are numerous. County Government's principal focus is on the judicial system, health and social service delivery, law enforcement, and road construction. In Texas, counties have no ordinance-making powers other than those explicitly granted by state law.

Texas has 254 counties with similar organization features: a governing body (the Commissioner Court) consisting of one member elected at large (the County Judge) and four Commissioners elected by precincts. The County Judge is both presiding officer of the Commissioners Court and judge of the County Court and is named for his or her actual judicial responsibility.

The Commissioners Court serves as both the legislative and executive branch of county government, and has budgetary authority over virtually all county departments, including those headed by other elected officials.

In Texas county governments, there is no hierarchy level for elected county officials, as all elected officials answer directly to the voters. The commissioners court authority over county officers, including elected offices, is limited to its authority to approve and disapprove the budgeted funds appropriated for each department's activity.

Elected offices created by the Texas Constitution include County Judge, Commissioners, Constables, County Clerk, District Attorney, Justice of the Peace, Sheriff, Tax Assessor/Collector, and treasurer. These officers are elected at large with the exception of the Commissioners, Constable and Justice of the Peace, which are elected by individual Precincts.

Offices created by legislative act include State District Judge, County Courts at Law, County Auditor, County Purchasing Agent, County Engineer, Community Supervision and Corrections, and Juvenile Probation. The State District Judges and the County Court at Law Judges are elected at large the remaining official are appointed.
